PASSAGE 1

With their brightly colored shawls and handkerchiefs, with their swarthy faces and the mystery that surrounds their movements, the gypsies appeal to the imagination of us all. They seem to be so free from all the cares and responsibilities of ordinary people.

It may be that our earliest thoughts of them were inspired by fear rather than attraction. We were, perhaps, told stories, for which there is happily no foundation, of their kidnapping little children and ill-treating them; but as we get older we look at them wistfully and think how nice it would be to live always in the open air and in the country, going where we pleased and when we pleased, and never having to worry about tomorrow, so long as the big stew-pot, hanging from three poles over the fire, had plenty of good things in it for today.

No one has done more to draw attention to the gypsies than a writer of the nineteenth century, George Borrow, who himself wandered about England in gipsy fashion for some years, making friends with them and learning their language and their ways. He described his adventures in two
